Lessons Volunteers!

A few more volunteers are needed for lessons: Two bodies to go in sweep boats on May 17-18, 6:30-12; one person to go out in a scull with the beginners Jun. 15. If you've got an erg that you can bring to the marina on a Friday night at 7- May 2, 9, 16 and/or June 6, 13, you'd be showered with gratitude. And you'd be everybody's best friend if you were to bring coffee/snack either Saturday or Sunday morning. If you're coming for the club row, it'd be easy to stop by Einstein's on the way, and leave your receipt in the plastic envelope so Kate can reimburse you. Lessons are a great fund-raiser for the club and helping out with them is an easy way to get your volunteer hours in. Contact Ann Storbridge at lessons@rockymountainrowing.org

Equipment Update

By Grace Malacrida

The heavyweight is coming, the heavyweight is coming. A 2003 Hudson Heavyweight Straight Four is on its way from Canada to us.

The A.J. Malacrida 8 is also to be soon on its way to us. For those of you who do not know. A Pocock 8 was purchased from the Oak Ridge Rowing Association with money donated to the Malacrida 8 in loving memory of our 19 year old son, A.J. who died on August 27th 2007. Unfortunately the boat was damaged when initially loaded to be transported here. The boat is being repaired by Tim Searles of the Rowing Repair Center. It is slated to be here in May. All club members will be welcome to practice and race in this boat.

Thank you to Peter Francis and John Tyler for rearranging the boat house to make room for these new additions to our fleet!

Many Thanks!

A HUGE Thank you to Karen Gress, who was the RMRC Race Committee point of contact for this regatta. This was our first race using our new system. Well done, Karen! And another HUGE Thank you to Angela Murtha for setting up this system on our website. Next race for RMRC is the Tulsa Sprints, Teri Evans is our point of contact for that regatta. Look on our website under News, and Regatta Calendar for more details.

Rocky Mountain Junior Rowers Participate in Boulder Sprints

Junior Rowers, Cole Capsalis, Anthony Malacrida and Maddie Lips raced at the Boulder Sprints. The men's double of Cole/Anthony won the gold. (photo below) Maddie raced in a women's double and won the silver. Maddie also coxed the RMRC women's winning 4+. Cole later hopped in a mixed eight comprised of rowers from BCR, RMC, and CJC to win another gold medal.

Next stop for our juniors is the Central Youth Championships in OKC on May 10th!

Racing This Year as RMRC

Here is the list of Regattas that we will be attending as RMRC. If you are attending one of these and plan to race as RMRC, you will need to enter your races through the assigned Race Committee Person. Letters of Intent to race must be submitted on line at the website listed below. If you are submitting your own line ups, be certain that you have coordinated this with those who you have listed in your boat. If you are requesting that the Race Committee Person

boat you, you will be boated with others who have also made this request. FYI, 15 people have already turned in their Letters of Intent to row for Masters Nationals. The race committee has already reserved a block of rooms for the team's use in Long Beach. The more who can attend this regatta, the better our chances of leaving with the Points Trophy! <http://rockymountainrowing.org/regattacalendar>
